### Costume Changing Instructions:

• For Dress Rehearsal students in multiple numbers may change in the dressing room at the North Shore Center (Dressing Rooms are located behind the stage and down the stairs. Please look for signs.) Mothers need to help students change, and when students are done changing, they may wait in the auditorium. Male dancers may change in the restroom. Dancers in only one number should wear their costume to dress rehearsal.

• For Recital female students in multiple numbers may change in the dressing room. Parent volunteers will help students change. Once students are dressed and ready to go, they need to report back to the dancer drop off room and wait with the rest of their class. If students only have one number, please bring them in costume. If students in multiple numbers have two dances or less to change from one costume to another, they need to report to the quick change area located off stage right for that change only. Before the start of the show students will need to place the quick change costume in the quick change area and then report to the dancer drop off room. Students only use the quick change area for dances having two numbers or less to change. All other costume changes need to be made in the dressing room. Male dancers may change in the downstairs restroom. **Please leave costumes for other recital shows at home or in the car.**

### Costume Hints for 2 or more dances:

• Wear your 1st costume including dance shoes to the show.  
• Bring a handled paper bag for each additional costume, accessories, and shoes. Put your child's name on each costume and all dance shoes & label each bag with your child's name, class, and number in the show. Put the name of each costume piece and where it goes on the outside of the bag. If your child is in 3 dances, you need 2 bags. See sample bag to the left under Show #1. Put extra bobby pins & safety pins in bag.
